S. O .P For Slow Learners and Advanced learners

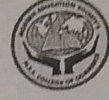

The committee for Slow Learners and Advanced Learners is constituted under UGC guidelines. The Standard procedures are formulated for effective and efficient execution of the activities of the committee, which are follows:

- To constitute the committee with the Principal as chairperson and Heads of Department of all subject as members.
- To nominate one of the staff members as a coordinator.
- To conduct the classes for slow learners and interested students..
- To enroll students and chalk out time table.
- To solve the students difficulties and doubts of slow learners.
- To discuss question paper blue prints and solve old question papers for slow learners.
- Counseling of slow learners.
- To provide additional notes.
- To motivate advanced learners to participate in the various programs such as workshops, seminars and conferences, quiz essay , debate, training programs for gaining advanced technical know – how, competitive examinations etc.
- To depute the advanced learners to participate in various University, State and National Level Management Fests and other competitions.
- To motivate the students to enroll for Add- on and certificate courses organized by the institutions.
- To honor and award toppers among advanced learners.
- To teach some difficult topics both in English and vernacular language..
